(Company Registration No: 200313131Z)

PROFIT WARNING FOR THE FINANCIAL YEAR ENDED 30 SEPTEMBER 2017

The Board of Directors of Envictus International Holdings Limited (the "Company" and together with its subsidiaries, the "Group") wishes to inform shareholders of the Company that the Group is expected to report a net loss for the full year ended 30 September 2017 ("FY2017").

Based on the preliminary review of its draft financial results, the current year operating losses are compounded by a full impairment loss of quoted investments amounting to RM32,870,000 in Yamada Green Resources Limited ("Yamada") a company listed on the SGX-ST. The Company invested in Yamada since November 2015. In its recent SGX-ST announcements dated 5 and 6 September 2017, Yamada has applied for trading suspension of its counter due to various factors including its inability to produce its financial statements and a fire incident that has destroyed certain finance documents and IT/computer hardware.

The Company is still in the process of finalising its results for FY2017 and will provide further details of the Group's performance when it releases the financial results on 28 November 2017.

In the meantime, shareholders of the Company are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.
